Director's Message

April showers must bring us May flowers! What a wet month we just had, hopefully we start to see the beginning of the spring season shine through shortly. Our patio furniture is all out and ready to be used, and our wonderful front planters are starting to show us some wonderful bright colours.

A reminder to take a look at our OMBEA survey, which has just been updated to reflect a more indepth look at our culinary department. Stop on by the lounge and answer the quick 5 minute survey!

Thanks to the team for my tasty birthday gift! I love Pickles!

The Down Low:

The month of April saw residents raising over **\$60.00** in donations for *National Denim Day* which funds research and brings awareness to Breast Cancer.

Residents also caught a glimpse of the Solar Eclipse on April 8th, simultaneously live streaming the event to witness its spectacle across North America.

As May approaches with hints of warmer weather, our Lodge will be spending the month fundraising for the *Hospice Huronia* walk in competition with Bayfield House! If you wish to donate, please do so directly through our lodge!

RECREATION NEWS

Several staff members from our Villa Lodge and Bayfield House teams will be participating in the *Hike for Hospice* this May 26th in Little Lake Park.

We are encouraging families and residents to join us in fundraising for the cause, as well as visiting the park Sunday, May 26th between 11:00am and 1:00pm to cheer on those familiar faces walking to make a difference. Rides to and from the park will be available for residents of The Villa Retirement Lodge.
